Dear Mr. Loski:

Re: British Columbia Hydro and Power Authority
F2017 to F2019 Revenue Requirements Application

Commission Order G-144-16 established a second procedural conference for the above-noted proceeding to take place on November 28, 2016, commencing at 9:00 am in the Commission Hearing Room, Twelfth Floor, 1125 Howe Street, Vancouver, BC.

The purpose of the procedural conference is to hear from the applicant and registered interveners on the following matters:

1. Whether it is your intention to file intervener evidence and if so, relating to what specific matters.
2. Whether the review of the revenue requirements application (RRA) should proceed by a written or oral public hearing, or some other process.
3. Any other matter that will assist the Commission to efficiently review the RRA.

If BC Hydro or other parties consider it to be efficient to provide written submissions prior to the procedural conference, it is invited to do so on or before **noon of Thursday, November 24, 2016**. All submissions should be filed electronically via the Commission's eFiling system.

Participants are requested to email the Commission Secretary at Commisssion.Secretary@bcuc.com to confirm their attendance at the procedural conference by November 25, 2016.

Interveners who wish to participate by Telephone Conference should notify Hal Bemister at Allwest Reporting (604-683-4774) prior to the procedural conference.

After the procedural conference, the Commission may issue a further procedural order for the review of the F2017 to F2019 Revenue Requirements Application, if necessary. If you have any questions, please contact the undersigned for more information.

Yours truly,
