Additional information

Please state your reasons for intervening in this proceeding:
As a Commission-regulated public utility, FortisBC Alternative Energy Services Inc. (FAES) has an interest in regulatory proceedings before the Commission which may deal with regulatory principles and policy that could impact future proceedings of FAES. In addition, FAES was an active participant in other Creative Energy proceedings in the past.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:
FAES is a public utility regulated by the BCUC and specializes in providing thermal energy services to customers. FAES has a direct and substantial interest in how the BCUC regulates TES projects. The BCUC's decision relating to thermal energy services may have an impact on FAES thermal energy services.

Please list the key issues you intend to address in the proceeding:
FAES will participate in the proceeding in regard to any issues that are of interest to its ratepayers or relevant to the determination of its own rates along with its interest in the regulatory framework which Creative has applied under.

For administrative purposes only
