**Comment:**
I do not agree with all customers having to pay the customer fund rate that has been automatically added to our monthly bills. There was no customer voting on this legislation that was pass to allow BC Hydro to start this program. People are having a hard enough time paying their bills without added charges now a days. Threw taxes each year I pay to the Government of BC and Federal Government I feel we contribute enough to help the the people in need. As a BC Hydro customer for the past 36 yrs there has never been a plan in place if I can not pay my monthly bill.
