Dear Madam:

**Re: British Columbia Hydro and Power Authority  
2008 Long-Term Acquisition Plan Application  
Exhibit A-20**

The IPPBC wishes to make submissions on items 1-8 inclusive in Exhibit A-20.

The only new "authority" that the IPPBC will be relying is the definition of "capable" in the Concise Oxford English Dictionary which is: "capable ▪ adj. 1. (capable of doing something) having the ability or quality necessary to do something." ► open to admitting of something. 2. (of a person) competent." This definition is for the purposes of item 4 and copies of it will be provided at the Oral Hearing.

Yours truly,

"Original signed by David Austin"
