Re: British Columbia Hydro and Power Authority – Site C Clean Energy Progress Reports

Dear Mr. James:

As noted in our June 10, 2020 letter, we anticipated receiving Site C Clean Energy Project Quarterly Progress Report No. 18 on April 30, 2020. According to British Columbia Hydro and Power Authority's (BC Hydro) response dated June 17, 2020, "BC Hydro will be filing the combined Site C Clean Energy Project Quarterly Progress Report No. 18 and the Annual Report No. 4 as one document during the week of July 15, 2020."

We have not received the above-noted submission, and request that BC Hydro file the reports (combined or separately) with the British Columbia Utilities Commission by July 24, 2020.

Sincerely,
