Any data referred to must be competent and reliable and support the specific claim for which it is cited. Illustrations of historical data based on past records of more than five years are not permitted, and no projections of future pricing may be presented to the Consumer.

Article 19

Request for Historical Gas Consumption Information

Article 24

Prior to submitting a request to the LDC for a Consumer's historical gas consumption data, a Gas Marketer must obtain the Consumer's signature on a consent form and provide a copy of this signed consent form to the LDC.

Confidentiality of Consumer Information

Article 25

A Gas Marketer must comply with the Personal Information Protection Act requirements of British Columbia.

A Gas Marketer shall not disclose Consumer information without the consent of the Consumer in writing, except where the Consumer information is required to be disclosed for the following purposes:

- For billing, collections or Gas supply management purposes (i.e. consumption information);
- For law enforcement purposes;
- For the purpose of complying with a legal requirement or an order of a regulatory body exercising jurisdiction over the Gas Marketer or the Consumer;

A Gas Marketer shall inform Consumers that information may be released to a Third Party without the Consumer's consent for the purposes listed above.

A Gas Marketer shall not use Consumer information for one purpose from a Consumer for any other purpose without the written consent of the Consumer.

AGREEMENTS AND CONTRACTS

Agreement Specifications

Article 26

The Consumer's Agreements, in accompaniment with the Notice of Appointment of Marketer, will be clearly designated as an "Agreement" or a "Contract". The terms "Application" or "Enrollment" do not accurately reflect the agreement made between the Marketer and the Consumer. There should be no confusion in the mind of the customer that this is a binding contract and not an application or enrollment.

The Consumer's right to cancel without penalty must be referred to as the "Ten Day Cancellation" provision and must be clearly stated in the Consumer's Agreement, prominently situated above the Consumer's signature line. Instructions must be included on how the Consumer can exercise this option.

The first page of the agreement between the Gas Marketer and a Consumer must accurately summarize and clearly state the essential elements of the Offer including:

- Price (Canadian \$ per gigajoule);
- Term (length in years, start and end dates;

- Renewal provisions (type, frequency, dates) including default rollover provisions;
- Cancellation provisions;
- Penalties and terms for early termination of the contract, including minimum contract term, and the requirement that the Consumer's Agreements may only be terminated on their anniversary date; and
- Conditions which may affect the price or term of the Offer.

The minimum contract term is one year with a maximum contract term of no more than five years and the dates for commencement of service and termination of service must coincide with program entry dates.

Agreement Renewals

Article 27

The Consumer's Agreements should clearly set out the contract renewal provisions including those for default rollover.

- The renewal date shall be such that it coincides with a LDC program entry date. Notice periods for contract renewal should require the Gas Marketer to give notice to the Consumer no more than 120 days and no less than 90 days prior to the applicable renewal date.
- The Consumer shall have 30 days after receipt of written notice from the Gas Marketer to select renewal terms or cancel the contract.
- Where no instructions are received by Terasen Gas from the current Gas Marketer of record prior to the cut-off date for the applicable renewal date, and where a valid enrolment for the same Consumer is not received by Terasen Gas from another Marketer, the Consumer's Agreement will be evergreened, with the same fixed price for a 12 month period.
- The timing of notices need to align with notice periods on entry dates to permit a Consumer to change Gas Marketers upon expiry or cancellation of an existing agreement.

If the Consumer has cancelled its agreement and wishes to return to Utility supply, the Gas Marketer must notify the LDC within two business days of receiving notice from the Consumer.

Cancellation of Agreements

Article 28

A Gas Marketer shall accept a Consumer's request for cancellation when within the 10 day Cancellation Period, and under the terms of the contract without engaging in further sales or marketing activity under that Consumer's Agreement.

A Gas Marketer shall accept a Consumer's request for cancellation when within the Cancellation Period without making the process onerous on the Consumer. The Consumer must be able to exercise their rights under the Cancellation Period by telephone, facsimile, email, or mail.

When exercising a Cancellation Provision to cancel the Consumer's Agreement at the anniversary date of the Consumer's Agreement, the Consumer may provide written notice to the Gas Marketer at any time prior to the 60 days before the anniversary date of the Consumer's Agreement.

Transfer of Agreements

Article 29

A Gas Marketer shall not assign, sell or otherwise transfer the Consumer's Agreements to another person who is not a licensed Gas Marketer.

Within 30 days of assignment, sale or transfer of the administration of an agreement to another licensed Gas Marketer, the affected Consumer must be notified of the new Gas Marketer's address for service, telephone number and the Consumer complaints process, if these have changed.

The assignment, sale or transfer of a Gas Marketer's Consumer's Agreements to another Gas Marketer shall be approved in advance by the Commission.

Responsibility for Code Observance

Article 30

The primary responsibility for the observance of this Code and associated Commission Orders rests with the Gas Marketer. Failure to comply with, or breach of, the Code and/or associated Commission Orders, may result in fines or the suspension or revocation of the Gas Marketer's license for a period to be determined by the Commission. A breach of this Code may occur in the course of inducing a person to enter into an Offer or Consumer's Agreements, even in the absence of a contract.

Gas Marketers shall ensure that their Salespersons adhere to the standards required of a Gas Marketer as set out in the Code of Conduct for Gas Marketers, and shall be accountable for the behaviour and performance of their Salespersons.

Article 31

The Utility shall refrain from conducting business with anyone who is not licensed in the province of British Columbia and does not strictly adhere to this Code.

Third Party Verification

Article 32

Third Party Verification is the form of a digitally recorded telephone call either initiated as an outbound call from the Gas Marketer to the Consumer or as an inbound call initially dialed by the sales agent to the Gas Marketer. In instances where the agent is present during the Third Party Verification, the Commission will consider this in the event of dispute adjudication. If the agent is present during the Third Party Verification, there must not be any communication between the Consumer and the Salesperson. The Third Party Verification may only be completed after the Salesperson has completed the sales presentation and the customer has executed the Consumer's Agreement, and before the Consumer's enrolment is submitted to the LDC.

The Commission will allow inbound and outbound calls for Third Party Verification. If the Third Party Verification call is carried out in the presence of a Salesperson, the Salesperson must not participate in, interrupt, or make comment to the Consumer during the Third Party Verification. Should such communication occur, the Third Party Verification must be terminated, and the Gas Marketer may not contact the Consumer again for a minimum of five days after that date. The Commission will be aware of the presence of the Salesperson during a Third Party Verification call and if any communication is held between the Consumer and the Salesperson, the Commission will deem the TPV to be invalid. The Third Party Verification must be the final step in the sale, the Salesperson must have already fully and clearly explained the terms and conditions of the Consumer's Agreement to ensure that at the time of the Third Party Verification call the Consumer has received and reviewed all of the information, and the customer must have already executed the Consumer's Agreement.

The scripting, as set out below, will cover the topics specified by the Commission for this purpose, and be available to the Commission for review and approval. The digital file will be available to the Commission 3 days after the initial recording and retained by the Gas Marketer for the term of the Consumer's Agreement.

A list containing the major topics, which must be canvassed with the customer, is detailed below and it is up to the Gas Marketer to arrange the script. The topics must be addressed individually and where the topic calls for confirmation, the customer must so confirm.

- Identification of the Gas Marketer and confirmation that the Customer understands that the marketer is not affiliated with Terasen Gas or the government.
- Confirmation that the Customer understands that once the Gas Marketer contract is signed gas supply is provided by a Gas Marketer. Confirmation that the Customer understands that this action is entirely voluntary and there is no obligation to switch gas suppliers.
- Confirmation that the Customer is the account holder or authorized to enter into an agreement for the premise.
- Confirmation that the Customer has a copy of the Gas Marketer agreement.
- Confirmation that the Customer has knowledge of the product, price and term of the agreement.

- Confirmation that the Customer understands that they may not save money.
- Advisement of the Confirmation Letter that will be sent by Terasen Gas Inc.
- Confirmation that the Customer understands their cancellation rights under the 10 day cancellation period.

Modification to the Code

Article 33

The Code shall be reviewed and modified if required at an annual meeting to be held prior to May 1 of each year. All changes will require the approval of the Commission.
