Re: BC Utilities Commission Business during
Vancouver's 2010 Olympics and Paralympics

Please be advised that the Commission will remain fully operational during the 2010 Olympic and Paralympic Games. As a busy and exciting time for British Columbians, we acknowledge this timeframe is anticipated to be a challenging time for stakeholders to participate fully in Commission business.

In light of this, the Commission does not intend to schedule hearing dates or filing deadlines during the period of February 10 to February 28, 2010; however, our notice is not intended to dismiss potential business requirements and in the event hearing dates or filing deadlines are required during this period, the Commission is prepared to set these dates accordingly.

Yours truly,
