Review of Electricity Purchase Agreement ("EPA")

---

On December 23, 2004, the British Columbia Transmission Corporation ("BCTC") filed its evaluation of the Norske Canada Demand Management proposal (the "BCTC Evaluation").

Prior to arriving at its decision on the Duke Point Power Limited Partnership application in Exhibit No. C17-2 for BCTC to provide a witness to speak to its evidence, the Commission Panel wishes to know whether any participant intends to rely on the BCTC Evaluation in this proceeding.

If you intend to rely on the BCTC Evaluation, please advise the Commission Secretary by noon on Tuesday, January 11, 2005.

Yours truly,
