BCH – REAP Exhibit A-11

TO: British Columbia Hydro and Power Authority
Registered Intervenors

Re: British Columbia Hydro and Power Authority (“BC Hydro”)
Project No. – 3698388
Resource Expenditure and Acquisition Plan Application (“REAP”)

By Commission Letter No. L-69-05 (Exhibit A-9), the Commission requested comments on the question of the Commission’s jurisdiction to direct the filing of a pro forma EPA. The request arose from a motion made by IPPBC at the Procedural Conference held on August 17, 2005. After reviewing the letter from IPPBC dated September 1, 2005 (Exhibit C4-5), the Commission concludes that IPPBC has withdrawn its motion. In the absence of a motion, the Commission will not be rendering a decision regarding the jurisdictional question.

By letter dated September 13, 2005 (Exhibit B-18), BC Hydro requests an opportunity to file rebuttal evidence. The Commission Panel amends the Regulatory Timetable established by Exhibit A-9 to include the filing of BC Hydro Rebuttal Evidence on or before October 3, 2005.

Yours truly,

Original signed by:
