KMI – Terasen Acquisition
Exhibit A-7

To: Kinder Morgan Inc.
Terasen Gas Inc.
Registered Intervenor

Re: Kinder Morgan, Inc. and 0731297 B.C. Ltd.
Project No. 3698400 / Order No. G-76-05
Application for Approval of the Acquisition of the Common Shares of Terasen Inc.

By letter dated September 14, 2005 (Exhibit A-4), the Commission Panel stated:

“The written submissions due on October 14, 2005 and October 21, 2005 may be followed by an oral phase, subject to whether or not the Commission Panel has any questions arising from the written submissions. If there is to be an oral phase, then it will be held on November 2, 2005 and will be confirmed by the Commission Panel by October 24, 2005.”

The Commission has an established practice of proceeding with an oral phase only when the Commission Panel has questions arising from written submissions. The Commission Panel does not have any questions arising from the written submissions filed in this proceeding. Therefore, the oral phase will not be held on November 2, 2005. Further, given the extensive submissions and comments received in the written process established by Order G-86-05, the Commission Panel considers the record is closed for this proceeding. The Commission Panel confirms as stated in Exhibit A-4 that it expects to issue a final decision on or before November 10, 2005.

Yours truly,
