Ms. Joanna Sofield
Chief Regulatory Officer
British Columbia Hydro and Power Authority
333 Dunsmuir Street
Vancouver, B.C. V6B 5R3

Dear Ms. Sofield:

Re: British Columbia Hydro and Power Authority ("BC Hydro")
2008 Long Term Acquisition Plan ("2008 LTAP")
BC Hydro's Objection to Comments of Jack Burkom, Director of
Marketing for Brookfield Renewable Power Inc.

The Commission Panel has considered Brookfield Renewable Power Inc.'s ("Brookfield") response to your letter of March 19, 2009 in which BC Hydro strongly objected to the inclusion in the evidentiary record of the 2008 LTAP of Brookfield's letter dated March 6, 2009. In its letter dated March 26, 2009, Brookfield stated that its letter was not intended to prejudice BC Hydro and it had no objection to the Commission striking its letter from the 2008 LTAP record.

The Commission Panel instructs me to inform you that Brookfield's letter dated March 6, 2009 will not be considered as evidence and that it will not accord it any weight in reaching its decision on BC Hydro's 2008 LTAP.

Yours truly,
