**SECTION 5**

**TRANSMISSION INQUIRY**

**EXHIBIT A-20**

Mr. Terry Vulcano

Dear Mr. Vulcano:

Re: British Columbia Utilities Commission  
Project No. 3698545/Order G-30-09  
Inquiry into British Columbia's Long-Term Transmission Infrastructure

\_\_\_\_\_  
Written Submission of Mr. Vulcano

By letter dated June 30, 2009 Mr. Terry Vulcano requested that his written submission filed June 28, 2009 and dated 'June 2009' be admitted as evidence. By letter dated July 2, 2009 Commission Counsel provided written comments on the request by Mr. Vulcano.

By letter dated July 6, 2009 (Exhibit A-17) the Inquiry Panel invited comments from participants by July 10, 2009 as to whether they objected to the late submission of Mr. Vulcano's written submission. In the event of objections, the Panel invited a response from Mr. Vulcano by July 17, 2009.

BC Hydro and Power Authority, British Columbia Transmission Corporation and Mr. A. Shadrack responded to the Commission's letter and none objected to Mr. Vulcano's request. BC Hydro stated that it shared the two concerns raised by Commission Counsel in his July 2, 2009 letter, and requested that the letter be filed as an "A" Exhibit in the Inquiry "to remind all participants of the BCUC's process for written submissions."

The Inquiry Panel accepts Mr. Vulcano's written submission filed June 28, 2009. Mr. Vulcano's June 30 request to file the June 2009 submission will become Exhibit C55-4 and the written submission Exhibit C55-5. Commission Counsel's July 2, 2009 letter will be filed as Exhibit A2-1.

Yours truly,
