<b>Additional information</b>	
Please state your reasons for intervening in this proceeding.  Our client is the union representing the Corporation's workforce and is a regular intervener in Commission proceedings concerning the company. The union and its members have a direct and material interest in a wide range of issues arising in the regulation of the Corporation.	

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

The employees represented by MoveUP have a direct and material interest in the proceeding, as it will have a significant impact upon their employer, their work, the services they provide, and the policyholders they serve.

Please list the key issues you intend to address in the proceeding.

Claims frequency and severity trends; capital management plan; operating expenses and allocation, including net compensation, FTE's, professional services, staff-related expenses, training, pension and post-retirement benefits; corporate strategy; corporate performance measures; performance measures review; claims cost management; longer-term strategies to manage premium increases

For administrative purposes only
