Additional information

Please state your reasons for intervening in this proceeding.

By requesting further information from ICBC I expect to better understand the necessity for the rate request. To make suggestions to the Commission respecting the final determination.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

I have a good knowledge of ICBC's finances, and have written extensively on these and related matters. I have been an intervener since 2014.

Please list the key issues you intend to address in the proceeding.

Claims costs and trends, capitalization issues, performance issues, claims frequency and severity and other issues that drive rates.

For administrative purposes only
