To my understanding, Liberals put their hands into ICBC money.

I believe the money should be replaced by NDP from Liberals millions of dollars left for NDP.

Why should a great driver, accident free, be burdened with paying ICBC deficiencies, done by past government?

Start by getting rid of the highest paid bureaucrats with I.C.B.C. We don't need highly overpaid, figure heads. We need to go back to the original Barrett Plan when he brought it in.

The Plan must have been working in the beginning, Liberals kept it didn't they!! By putting more burdens to the B.C. taxpayers, isn't fair. B.C. is already an expensive province to live in. Taxed to Death.

Go after the drivers who consistently are in accidents, their fault, Make them pay fines after 3 strikes. Take away drivers licenses until they abide by the rules.
