Re: Insurance Corporation of British Columbia – 2019 Revenue Requirements Application – Project No. 1598982 – McCandless’ Request to Panel With Respect to Confidentiality of 2019.1 RR RM.3.8C

Dear Mr. McCandless:

Further to your letter dated March 29, 2019 (Exhibit C3-4), requesting the Panel direct the Insurance Corporation of British Columbia (ICBC) to publicly file the redacted information which was included in Exhibit B-2-1 in response to 2019.1 RR RM.3.8C, the British Columbia Utilities Commission (BCUC) invited written comments from ICBC and reply comments from you. On April 4, 2019, the BCUC received ICBC’s submission, marked as Exhibit B-4 in this proceeding, and notes that you have made no further submissions.

In its submission, ICBC states that it is in agreement that the paid severity information that was redacted in the public version of the noted information request can be released publicly and has reissued its response with the requested information and additional context. Given ICBC's response, the Panel considers that no further process is required and this matter to be closed.

Sincerely,
