**Re: BC Utilities Commission review  
of the Electricity Purchase Agreement (EPA)  
between BC Hydro and the Duke Point Power Project  
Project No. 3698354**

This is to advise the Commission that the BC Sustainable Energy Association ("BC SEA") wishes to join its intervention with that of the GSX Concerned Citizens Coalition ("GSXCCCC") in the BCUC review of the EPA for the Duke Point Power Project.

(However, BC SEA wishes to continue to receive copies of all documents.)

Sincerely,

Guy Dauncey, President
