Re: Terrace Economic Development Authority (TEDA) Advisor for: Section 5 Transmission Inquiry

Commission Secretary,

Please be advised that Bernie Banovic (or alternate from Markus Resource Consulting) of Terrace, BC will be attending the Section 5 Transmission Inquiry sessions on TEDA's behalf and will be advising us of any developments that may concern us. We feel that Bernie is qualified to understand the complexities of these topics and keep us informed as this process moves forward. TEDA will, in turn, be communicating this information to the City of Terrace and others in the local area.

Attending these sessions is an expensive and time consuming endeavour. We greatly appreciate the fact that Bernie Banovic is willing to commit to attending the Inquiry sessions and hope that BCUC will be able to compensate him for expenses incurred.

Sincerely,
