AMPC Intervenor Argument – Request for Extension

Due to the recent death of a family member of the writer we have not been able to complete our Argument in time for today's filing deadline.

We hereby request an extension for filing of all Intervenor Arguments in this matter of one day to 4:00 PM Friday, February 15, 2013. We have discussed this matter with Mr. Ghikas and understand that Fortis is agreeable to this extension.

We support an extension of the filing date for the Utilities Reply Arguments of one day.

Yours truly,

Bull, Housser & Tupper LLP
