Dear Sirs/Mesdames:

Re: British Columbia Hydro and Power Authority British Columbia Hydro and Power Authority Application for Approval of Section 2.5 Guidelines for Tariff Supplement No. 3 to Rate Schedule 3808

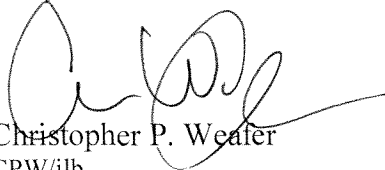

We are counsel for the Commercial Energy Consumers Association of British Columbia ("CEC"). We have been instructed to file for intervener status in the above-noted proceeding for this group.

The CEC is composed of members which are commercial class customers of BC Hydro, a significant portion of BC Hydro's rate base, and whose interests and rates will be affected by this application.

Should you have any questions regarding the foregoing, please do not hesitate to contact the writer.

Yours truly,
