Re: BC Hydro Application for RS 3808 Guidelines (Section 2.5)

Dear Madam:

I am a customer of Grand Forks Hydro, which purchases all its power from FortisBC and hereby apply for intervener status in the above noted Hearing.

I was involved with the 3808 Hearing and have concerns with BC Hydro dictating terms in the FortisBC operating area.

Also there seems to be unnecessary impediments being put in the way of IPPs at a time when BC Hydro is supposedly encouraging new power producers and generation.

Respectfully submitted,

Alan Wait
