Attention: Ms. Erica Hamilton

Dear Ms. Hamilton:

Re: British Columbia Hydro and Power Authority ("BC Hydro")
2015 Rate Design Application ("RDA")

I am writing on behalf of the Vancouver Airport Authority ("YVR").

I confirm that YVR participated in the RDA stakeholder engagement process as a transmission service rate (TSR) customer subject to Rate Schedule 1827.

As YVR has a specific interest in these proceedings, I confirm that I have registered YVR, through the Commission's website, as an intervener in order to participate, as necessary, during the course of the proceedings.

Should you have any questions regarding the above, please feel free to contact me at (604) 276-6636 or via e-mail at peter.kletas@yvr.ca.

Yours truly,
