Subject: Registration as intervener

Dear Ms. Hamilton,

Re. BC Hydro's 2015 Rate Design Application

I am a customer of BC Hydro's and as such have an interest in BC Hydro's application. Please accept my request to register as an intervener.

I could find no public notification of the application except for the notice in Victoria's Time Colonist on Oct. 8. Given the amount of material to review the timeline is extremely short. I would ask for an extension of the deadline for intervener comments to allow for time to read this long and detailed application. An extension of at least 3 weeks does not seem unreasonable to request.

Respectfully,
Sharon Noble
