RE: BC Hydro and Power Authority
2015 Rate Design Application
Kwadacha Nation

Dear Madam:

We are writing to register a late intervention in the BC Hydro 2015 Rate Design Application on behalf of our client, Kwadacha Nation. Kwadacha Nation is a BC Hydro Zone II ratepayer located in Fort Ware, BC whose interests and rates will be impacted by this proceeding. The reason for our late intervention is because our client only recently became fully aware of this proceeding.

We are currently in communications with other Zone II non-integrated areas and anticipate that they may join this intervention. Therefore we request that the intervention be registered as the "Zone II Ratepayers Group".

Copies of correspondence and other filings should be provided to:

- Linda Dong, linda@dongassociates.com
- Lloyd Guenther, lguenther@novuscom.net

Sincerely,
