Dear Ms. Hamilton,

Re: BC Hydro - 2015 Rate Design Application - Letter of Comment re Sharon Noble // Log No. 51126 ; Exhibit A-9

It has come to my/our attention that Sharon Noble's intervener status has been rescinded by the Commission's office. As I am sure you are aware it is not possible for every citizen concerned about this issue to be able to find time to act as an intervener in its prosecution. Accordingly, Sharon Noble has been granted my/our permission to act on our behalf in matters dealing with policy and procedure related to our smartmeter status with BC Hydro. Accordingly, I ask that The status of Sharon Noble as an intervener acting on behalf of myself and my family be reinstated forthwith.

Yours truly, Ron and Inge Bolin , BC Hydro, City of Nanaimo, Province of BC, and Government of Canada, Ratepayers.

Ron Bolin
