Dear Ms. Hamilton,

Re: BC Hydro - 2015 Rate Design Application - Letter of Comment re Sharon Noble // Log No. 51126 ; Exhibit A-9

It has come to my attention that Sharon Noble's intervener status has been rescinded by the Commission's office.....

In particular the mafia style re-connection fee schedule (\$700) being imposed on some individuals is unconscionable in a free and democratic society.

This is, I believe, unlawful; and this hearing is important to me, and that you ask that Sharon be allowed to represent me and my concerns.

I end by expressing strong support for having Sharon's intervener status reinstated.

Yours truly,

Erik Hansen,
