(Attention MS. Erica Hamilton. Secretary to the commission.)

January 13th 2016.

Dear MS.Hamilton,

It has come to my attention that Sharon Noble's intervener status has been recinded by the Commissioner's office.

I feel betrayed that this should happen to this lady who has spent so much time in representing people like myself,with our concerns regarding the increased cost of Hydro power, my health & also protecting my privacy.

That she is being denied her intervener status is a travesty & one questions the reasoning behind such action. I have always considered that Canadian's have this Democratic Right to bring unfair policies to the notice of those in positions of trust.

I have been a B.C Hydro consumer for 60 years.

Yours Truly.

Margaret Vey.
