Dear Mr. Loski:

Re: British Columbia Hydro and Power Authorities
Project No. 3698781/G-156-15
2015 Rate Design Application Module 1

This letter outlines the Streamlined Review Process (SRP) that will be followed for the review of British Columbia Hydro and Power Authority's (BC Hydro) proposed Freshet Rate Pilot (Application).

GENERAL DIRECTIONS

1. The SRP will commence at 1:00 p.m. on Monday, January, 25, 2016, on the 12th Floor, 1125 Howe Street, Vancouver.
2. The scope of this proceeding is limited to the above Application.
3. As set out in the Guidelines for Streamlined Review Processes, participation in the SRP will be limited to the Applicant, Registered Interveners and Commission staff.

PROCEDURE DURING SESSIONS

The SRP will proceed in the following order:

1. The Panel Chair will make an Opening Statement and comment on procedural matters for the day.
2. The participants will register their appearances. At the commencement, BC Hydro will give a brief overview of the Application.
3. After BC Hydro's presentation, hearing participants will have an opportunity to explain their interests.
4. Participants may ask questions to BC Hydro or other presenters at the conclusion of the presentations. Questions of clarification may be asked during the presentations, as necessary. Participants who may wish to ask questions should advise Commission counsel in advance to assist with the planning and conduct of the session. When asking questions participants should first identify themselves for the record and then ask their question.

5. Following questions and an appropriate break, as necessary, BC Hydro will provide its Final Argument. Interveners may then provide their Final Argument. BC Hydro will then have the opportunity to reply.
6. The SRP is designed to combine the essential elements of a Workshop, Oral Hearing, Information Requests, and Final Arguments into one efficient process. Although a verbatim transcript of the discussions will be taken by Allwest Reporting Ltd., all parties may engage the process in an informal yet respectful manner.

If you have any questions or concerns about the process, please contact the undersigned.

Yours truly,
