British Columbia Utilities Commission
Sixth Floor, 900 Howe Street, Box 250
Vancouver, BC, V6Z 2N3
Attn: Erica Hamilton, Secretary
By Web Posting

Dear Madam:

Re: British Columbia Hydro and Power Authority 2015 Rate Design Application (RDA);
BC Sustainable Energy Association and Sierra Club BC Argument
Regarding RS 1827, 1852, 1853, 1253

These are the comments of the interveners BC Sustainable Energy Association and Sierra Club BC in response to the Commission's February 11, 2016 letter [Exhibit A-18] inviting comments on four topics regarding the negotiated settlement process scheduled for March 7-8, 2016 concerning BC Hydro Cost of Service Study and rate class segmentation proposals.

1. BCSEA-SCBC confirm that Bill Andrews and Tom Hackney will participate in the NSP.
2. BCSEA-SCBC support BC Hydro's proposal of January 21, 2016 [Exhibit B-10] to the effect that certain Commission staff members be identified by the Panel as "Active Participants" in the NSP as provided for in the *NSP Guidelines*.
3. BCSEA-SCBC have no additional items to add to the agenda.
4. BCSEA-SCBC have no objection to Ms. Liisa O'Hara serving as the Facilitator of the NSP.

Yours truly,

William J. Andrews

Barrister & Solicitor
