Ms. Laurel Ross, Acting Commission Secretary
British Columbia Utilities Commission
6th Floor 900 Howe Street
Vancouver, BC V6Z 2N3

Dear Ms. Hamilton:

**RE: BC Hydro and Power Authority
2015 Rate Design Application
Non-Integrated Areas Ratepayers Group Intervention
Addition of Gitga'at First Nation**

We are writing to amend the Intervention of the Non-Integrated Areas Ratepayers Group ("NIARG"), previously comprising the Heiltsuk Tribal Council and Shearwater Marine Limited, to include the Gitga'at First Nation.

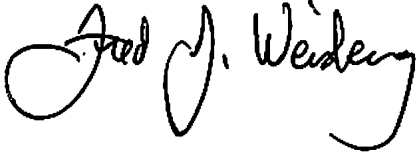

Members of the Gitga'at First Nation include ratepayers situated in Hartley Bay within BC Hydro's Zone II whose interests and rates will be directly affected by this proceeding.

No changes to the Commission's regulatory timetable will be requested as a result of this amendment to the NIARG Intervention. In light of NIARG's express notice in its 14 October 2105 Intervention contemplating the subsequent addition of other Zone II ratepayers, we trust and expect that no prejudice will result for any other party to this proceeding.

We further advise that we are currently in communication with other Non-Integrated Areas in Zone II and anticipate that they may join NIARG's Intervention shortly.
