Dear Ms. Ross:

**Re: BC Hydro and Power Authority 2015 Rate Design Application
BCOAPO's Response to the BC Utilities Commission March 21, 2016
Request for Submissions**

We write to provide BCOAPO's Response to the BC Utilities Commission March 21, 2016 request for submissions (Exhibit A-24) regarding Roger Bryenton's application for reconsideration and reversal of the Commission's November 3, 2015 Order G-156-15 in which the Commission revoked Mr. Bryenton's status as an intervener.

The Commission seeks comments on the following two questions:

1. Whether Mr. Bryenton's request for reinstatement of this intervener status is appropriate and relevant to the 2015 Rate Design Application proceeding; and
2. If yes, should the Commission allow Mr. Bryenton's late intervention to address his stated issues?

We support Mr. Bryenton being reinstated as an intervenor in this proceeding so long as he confines the issues that he addresses through his intervention to those that are in scope for BC Hydro's 2015 Rate Design Application.

Sincerely,

BC Public Interest Advocacy Centre
