VIA COMMISSION E-FILING

British Columbia Utilities Commission
6th Floor – 900 Howe Street
Vancouver, BC V6Z 2V3

Attention: Laurel Ross, Acting Commission Secretary

Dear Madam:

**Re: British Columbia Hydro and Power Authority (BC Hydro)
Project No. 3698781/G-156-15
2015 Rate Design Application Module 1
Association of Major Power Customers (AMPC) Comments re Residential
E-Plus Rate Design (Rate Schedule 1105) Process**

We are legal counsel to AMPC in this matter. Further to the Commission's April 20, 2016 letter inviting parties to comment on the process for the Residential E-Plus rate design, we write to advise the Commission that AMPC has no preference on the hearing format at this time.

AMPC notes, however, that at this stage there is no indication whether any intervenor evidence on the Residential E-Plus rate will be called, which in AMPC's submission is required for a proper view of what further process is most appropriate.

Please contact the writer if you have any questions.

Yours truly,

Bull, Housser & Tupper LLP
