## VIA COMMISSION E-FILING

British Columbia Utilities Commission  
6<sup>th</sup> Floor, 900 Howe Street  
Vancouver, B.C., V6Z 2V3

**Attention: Ms. Laurel Ross, Acting Commission Secretary and Director**

Dear Sirs/Mesdames:

**Re: British Columbia Hydro and Power Authority (BC Hydro)  
Project No. 3698781/G-156-15  
2015 Rate Design Application Module 1  
Commercial Energy Consumers Association (CEC) Comments re Residential  
E-Plus Rate Design (Rate Schedule 1105) Process**

We are legal counsel to Commercial Energy Consumers Association of British Columbia (CEC) in this matter. Further to the Commission's April 20, 2016 letter inviting parties to comment on the process for the Residential E-Plus rate design, we write to advise that CEC recommends the Commission adopt a written process for the review of the Residential E-Plus rate design. The CEC recommends that the process conclude with written arguments at the same time as the Final Argument for the main rate design proceeding.

Please contact the writer if you have any questions.

Yours truly,

**OWEN BIRD LAW CORPORATION**

  
Christopher P. Weafer
