**VIA COMMISSION E-FILING**

British Columbia Utilities Commission  
6th Floor – 900 Howe Street  
Vancouver, BC V6Z 2V3

**Attention:** Laurel Ross, Acting Commission Secretary

Dear Madam:

**Re: British Columbia Hydro and Power Authority (BC Hydro)  
Project No. 3698781/G-156-15  
2015 Rate Design Application Module 1  
Association of Major Power Customers (AMPC) Reply re Residential E-Plus  
Rate Design (Rate Schedule 1105) Process**

We are legal counsel to AMPC in this matter. Further to the Commission's April 20, 2016 letter, we write in reply to advise that AMPC agrees that a written process for the E-Plus Rate Design review and a revised intervener evidence deadline, as proposed by the E-Plus Homeowners Group and BC Hydro, is appropriate given these parties' support for such a process.

Please contact the writer if you have any questions.

Yours truly,

Bull, Houser & Tupper LLP
