Please state your reasons for intervening in this proceeding.

To be certain that NET MEANS NET.

And to argue that kWh bank account be left intact and allowed to carry forward each year as is the case with other reward systems such as AirMiles .The customer should have the choice of selling the kWh to Fortis at the wholesale rate or keeping those in the bank account.

Special thought needs to be given to Strata situations or for example for towns like Osoyoos who may wish to be the

green example for Canada and generate power to reduce their electrical bill.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

Net means net was an issue for my billing and letters to BCUC and Fortis along with telephone conversations has resolved this for me but not my neighbours

Please list the key issues you intend to address in the proceeding.
