Dear Ms. Ross,

Re: Application for an extension of the Regulatory Timetable concerning the Gas Delivery Rate Increase Application to be effective August 1, 2016

Please find Sun Peaks Utilities Co., Ltd. (SPUCL)'s application to extend the Regulatory Timetable concerning the application for an increase in the Gas Delivery Rate proposed to be effective August 1, 2016.

Due to the potential for a postal interruption and the challenges of providing information regarding this application to our customers, Sun Peaks Utilities believes that there may not have been sufficient time to review this gas rate application and decision by the Commission within the period originally proposed by the Commission. Sun Peaks Utilities therefore now asks that the Commission extend the Regulatory Timetable to the following proposed dates:

The proposed Regulatory Timetable for this Rate Application would be as follows:

Action	Filing Due Date
Intervener Registration	Friday, July 29, 2016 extended from Friday, July 15, 2016
Commission Information Request No. 1	Wednesday, August 3, 2016 extended from Wednesday, July 20, 2016
Intervener Information Request No. 1	Friday, August 5, 2016 extended from Friday, July 22, 2016
Sun Peaks Utilities Co., Ltd. – Responses to Commission and Intervener Information Requests	Friday, August 12, 2016 extended from Friday, July 29, 2016

Copies of this revised timetable would be forwarded to our customers via a newsletter that would be included with their July 2016 billing. A draft copy of the newsletter has been included in this application. Sun Peaks Utilities invoices all its customers once per month, generally around the 14th of each month.

Should you have further questions regarding this application, please contact the undersigned at 250-578-5416 or at pmiller@sunpeaksutilities.com.

Sincerely,

Sun Peaks Utilities Co., Ltd.

Director, Utility Services
