**QUESTION:**

What is the budget for basic and advanced ECAP in each of the last two years? How much of that budget in each of the last two years was spent?

**RESPONSE:**

The ECAP program basic offer, advanced offer and the ESK offers are financially budgeted and operated as a single program (the Low Income Program). Please refer to BC Hydro's response to BCOAPO IR 2.333.1, Exhibit B-23 for actual spend and budget for the Low Income Program for the previous two fiscal years.
