Letter of Comment

In accordance with the Commission's Rules of Practice and Procedure, to submit a letter of comment concerning an application currently before the Commission, please provide a completed form to commission.secretary@bcuc.com. If email is unavailable, please mail the form to the address above. By doing so, you acknowledge that all letters of comment are published with the author's name as part of the public evidentiary record, both in print copy and on the Commission's website. All personal contact information provided on this page is removed before posting to the website. Forms must be received by the Commission by the last filing date included in the proceeding's regulatory timetable before final arguments.

Comment: Please specify the reasons for your interest in the proceeding, your views concerning the proceeding, any relevant information that supports or explains your views, the conclusion you support and any recommendations. The Commission may disallow comments that do not comply with the Rules of Practice and Procedure.

[Please write your comments in this box]

We are a senior couple living in a small, electrically heated two-bedroom house in [REDACTED]. My husband is disabled as a result of a stroke.

We consider it most unreasonable to be penalized by BC Hydro's two tier billing system because we must use electricity to heat our home. We ask the Commission to require BC Hydro to discontinue the two tier billing system for electrically heated homes.
