Additional information

Please state your reasons for intervening in this proceeding.

As a Commission-regulated public utility we have an interest in regulatory proceedings before the Commission which may deal with regulatory principles and policy that could be raised by the Commission or interveners in the current proceeding that may impact BC Hydro in future proceedings.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

BC Hydro has not identified any specific issues at this time, however, as stated above will participate in the proceeding in regard to any issues that are of interest to its ratepayers.

Please list the key issues you intend to address in the proceeding.

As stated above, principles or policies that could be raised by the Commission or interveners in the current proceeding may become relevant to BC Hydro in future proceedings and therefore BC Hydro may wish to ask questions on the filed materials and/or introduce evidence of its own.
