Also representing (if applicable)

Additional information

Please state your reasons for intervening in this proceeding.

Celgar was an active participant in the FortisBC Self-Generation Policy proceeding and has an interest in this proceeding to ensure that FortisBC continues to provide safe, reliable power at reasonable rates.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making.

Celgar is self-generation customers and has an interest in resource options and demand side management programs relevant to self-generators.

Please list the key issues you intend to address in the proceeding.

The recommended resource options and the cost-effectiveness of such options as compared to alternatives. And the level of investments in industrial DSM programs.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?

Do you intend to request PACA funding? This does not impact your ability to participate.

Have you or your organization web-registered as an intervener or interested party in the past 12 months?

If yes, please provide your username
