Dear Mr. Wruck:

Re: Fortis BC Inc. 2016 LTERP and Long-Term Demand Side Management Plan

Zellstoff Celgar Partnership Limited (Celgar) provides notice, in accordance with Order G-197-16 dated December 22, 2016, that it intends to file Intervener Evidence in the above noted proceeding.

The Intervener Evidence will consider issues related to the FortisBC proposal regarding DSM incentives for self-generation customers. In particular, the evidence will consider an opportunity to implement an energy efficiency measure at Celgar's operations in Castlegar, BC.

Yours truly,
