Regulatory Support

Dear Mr. Wruck:

RE: Project No. 1598878
British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Inquiry of Expenditures Related to the Adoption of the SAP Platform

---

BC Hydro writes with respect to the above noted matter and the Commission's letter of July 31, 2017 extending the date to August 16, 2017 for BC Hydro to make its submission regarding the Commission's proposal for redactions to the information filed confidentially by BC Hydro related to the 2010 Code of Conduct Complaint (2010 Complaint). BC Hydro is reviewing the more than 100 pages of information that had previously been filed with the Commission on the 2010 Complaint and will be proposing redactions based on the provisions of the Freedom of Information and Protection of Privacy Act (FOIPPA).

It has become apparent that our proposed redactions will be extensive and will take longer to fully complete than originally expected. BC Hydro is respectfully requesting a further extension to the filing date of its proposed redactions to the 2010 Complaint to September 8, 2017.

For further information, please contact Fred James at 604-623-4317 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Fred James
Chief Regulatory Officer
