Attention: Mr. Patrick Wruck, Commission Secretary and Manager, Regulatory Support

Dear Mr. Wruck:

Re: FortisBC Inc. (FBC)

Application for Amendment to Electric Tariff Rate Schedule 50 Lighting – All Areas (the Application)

Responses to British Columbia Utilities Commission (BCUC or the Commission) Information Request (IR) No. 1 – Request for Extension

---

On November 20, 2017, FBC filed the Application referenced above. On January 25, 2018, the Commission issued Order G-27-18 establishing the Regulatory Timetable for review of the Application. FBC hereby requires a two-week extension to the Regulatory Timetable for this proceeding as a result of the key FBC staff member responsible for this Application being out of the office.

FBC respectfully requests a two-week extension to file the responses to BCUC IR No. 1 from Tuesday, February 13, 2018, to Tuesday, February 27, 2018. FBC further proposes that the remaining dates on the Regulatory Timetable be similarly extended. FBC believes that granting this extension will not negatively impact the review of the Application and will not prejudice any parties. FBC thus proposes that the Regulatory Timetable be amended as follows:

ACTION	DATE (2016)
FBC Responses to BCUC IR No. 1	Tuesday, February 27
Deadline for filing Letters of Comment	Tuesday, February 27
FBC responses to Letters of Comment, if any	Wednesday, March 14

If further information is required, please contact Corey Sinclair at (250) 469-8038.

Sincerely,

FORTISBC INC.
