

## British Columbia Utilities Commission Inquiry into the Regulation of Electric Vehicle Charging Service

The BCUC is conducting an **independent inquiry** into the regulation of electric vehicle (EV) charging service that will explore potential regulatory issues, including the level of regulation necessary (if any) in the EV charging stations market, the rates for EV charging service, and any other matters that should be considered by the BCUC.

There are a number of ways to get involved, including:

- Submitting a **letter of comment**
- Registering as an **interested party**
- Becoming an **intervener**  
(February 23, 2018 deadline)
- Attending a **Community Input Session**
