Additional information

Please state your reasons for intervening in this proceeding:

The City has implemented policies such as the Greenest City Action Plan, the Renewable City Strategy and the EV Ecosystem Strategy to help reduce greenhouse gases. One initiative common to all these policies is making EV charging affordable and accessible.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

The Commission's decision will directly impact the affordability and accessibility of EV charging in the City of Vancouver. This in turn will directly impact the adoption of electric vehicles and the achievement of the City's policy goals. The Commission's decision may also impact existing and future EV chargers owned and operated by the City.

Please list the key issues you intend to address in the proceeding:

The City intends to address a range of issues that could impact the affordability and accessibility of EV charging, including (1) how to make EV charging more accessible and affordable, (2) who may/should operate existing and future EV chargers and charge for such use, and (3) rates.
