Also representing (if applicable):

Additional information

Please state your reasons for intervening in this proceeding:

Brightside is involved in charging solutions and LCFRR credits generated from charging

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

I have previous experience in alternative fuel infrastructure including natural gas, renewable natural gas, hydrogen, LNG and methanol.

Please list the key issues you intend to address in the proceeding:

Who should be allowed to provide charging solutions. How this interfaces with BCs low carbon fuel requirement regulation

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: Yes

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: No

If yes, please provide your username:
