## **Additional information**

**Please state your reasons for intervening in this proceeding:**

The Electrical Contractors Association of BC (ECABC) represents contractors, line contractors and manufacturers and distributors of related equipment and technology. Our members, and their electricians and

electrical apprentices, are primarily responsible for the installation and maintenance of EV charging stations in British Columbia.

**Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:**

The potential regulation of EV charging stations is of significant interest to ECABC, our members, and our employees as this proceeding will impact our business and work. Our members are leading experts in the field of EV charging station installation and maintenance, and should play an important role in determining the regulatory framework for this important industry moving forward.

**Please list the key issues you intend to address in the proceeding:**

- Regulation of EV charging station - Safety issues related to EV charging stations - Qualification requirements to install/maintain EV charging stations
