Additional information

Please state your reasons for intervening in this proceeding:

Plug-in Richmond is an organization representing electric vehicle owners in Richmond BC. We are therefore interested in any regulation of electric vehicle charging that may affect our members.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

Electric vehicle charging affects our members in terms access, technology, convenience and cost. We provide information for prospective EV owners including on charging. See: <http://pluginrichmond.ca/information.html>.

Please list the key issues you intend to address in the proceeding:

Need for level 3 rather than level 2 public charging. Problem of public charging being used for parking convenience more than need to charge. Setting of time limits for public charging. Limit on electricity consumption fee. Limit on service fees in addition to electricity consumption. Need for public access to all public charging with a credit card and without a need for network membership. Similar issues important to the consumer.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: Yes
