BCUC REGULATION OF ELECTRIC VEHICLE CHARGING SERVICE INQUIRY EXHIBIT A-6

To: Stakeholders

Re: British Columbia Utilities Commission – An Inquiry into the Regulation of Electric Vehicle Charging Service – Project No. 1598941 – Amended Regulatory Timetable

British Columbia Utilities Commission (Commission) Order G-19-18 dated January 23, 2018 and letter dated February 7, 2018 (Exhibit A-4) established a regulatory timetable for an inquiry into the regulation of electric vehicle charging service (Inquiry). On February 23, 2018, the Commission received a request from Toronto Hydro-Electric System Limited to extend the deadline for registered interveners to file written evidence until Friday, March 16, 2018.

The Panel considered the two-week extension request and will accept registered intervener written evidence until Friday, March 16, 2018. For those interveners who have already filed intervener written evidence, the Commission will accept any supplemental written evidence until Friday, March 16, 2018. The amended Regulatory Timetable is as follows:

Action	Date (2018)
Deadline for registered intervener filing written evidence	Friday, March 16
Further process	To be determined

Sincerely,

Original Signed By:

Patrick Wruck
Commission Secretary
