Also representing (if applicable):

Additional information

Please state your reasons for intervening in this proceeding:

To provide input to the inquiry from EV owners based on their experiences with EVs and research on the subject of EV charging issues

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

The Association's members could be affected in terms of their ability to obtain reasonably priced and reliable EV charging services

Please list the key issues you intend to address in the proceeding:

Reselling of public electricity, regulations concerning reliability and maintenance and servicing of EV charging equipment, the number of EV chargers needed and the cost of obtaining recharging services

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: No

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes

If yes, please provide your username: VEVA2018
